DETAILED ACTION

Response to Arguments

Applicant's arguments, see Remarks, Pages 3-4, filed May 30, 2007, with respect to rejection over Tang et al. (US 5,482,896) in view of Tahon et al. (WO 99/21708 A1) have been fully considered and are persuasive. The rejection of claims 1-5 and 18 has been withdrawn.

Election/Restrictions

This application is in condition for allowance except for the presence of claims 6-17 directed to an invention non-elected with traverse in the reply filed on June 3, 2005. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

Allowable Subject Matter

Claims 1-5 and 18 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the references of the Prior Art of record fails to teach or suggest the combination of the limitations as set forth in claim 1, and specifically the method steps comprising the limitations of the flexible base layer is attached to a rigid flat plate during lamination of one or more of the first electrode layer, the EL layer, the second electrode layer and the flexible sealing layer to the flexible base layer and the flexible base layer comprises a

laminate of a thin glass sheet and a preformed protective plastic sheet, and has sufficient flexibility to be freely rolled and/or curved.

Regarding claims 2-5 and 18, claims 2-5 and 18 are allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
